The Abbey Inn, Byland

Report to: Accommodation Manager

Days: 2-3 days per week (Monday - Sunday)

Salary: £11.50 per hour plus service charge

Location: The Abbey Inn, Byland (near Wass), YORK, YO61 4BD

Overview

We're on the search for a hardworking, quality driven housekeeper with previous experience in a similar role to join our team at the Abbey Inn, Byland; our new pub with rooms opening in late May.

Reporting to the Accommodation Manager, this role is imperative for contributing to the smooth-running of day-to-day housekeeping operation at the Abbey Inn, delivering a high-quality experience for all guests staying in our three rooms at the Abbey Inn.

The ideal candidate will be experienced in working in a fast-paced, dynamic environment, with impeccable attention to detail and excellent knowledge of housekeeping systems, standards and processes within a high-end establishment.

The Role & Responsibilities

- Ensure all bedrooms and public areas are serviced to our usual five-star standard ahead of thorough daily inspections.
- Support the Accommodation Manager in ensuring the effective management of housekeeping inventory, including laundry requirements and stock levels.
- Ensuring compliance with health and safety legislation and licensing law.

The Person

- Impeccable attention-to-detail
- Excellent communication and organisational skills.
- A friendly and approachable manner.
- A genuine passion for the hospitality industry and guest experience.
- Ability to work independently and as part of a team.

The benefits of working with us

Our people are the most important part of our business, and we provide a fantastic place to grow and develop your skills with excellent pay and good work/life balance. We offer:

- Competitive salary and service charge
- Staff discounts across the group
- Career development and internal and external training opportunities
- The chance to train and learn under Michelin-starred standard hospitality professionals
- The opportunity to work with exciting, interesting, and seasonal ingredients that we have grown, foraged or preserved.
- Freshly cooked staff meals
